

Thank you for joining!

Dear members

also on behalf of the Executive Board, many thanks to everyone who participated live or online in this year's Annual General Meeting! We were very pleased with the great interest, the intensive exchange and the helpful feedback.

Special thanks to **Ingrid Klimke & Team** as well as **Olaf Krause & Susanne Marx-Nowak** from EQUOVIS for the warm welcome and the exciting insights behind the scenes of their "every-day-live".

The **meeting minutes** are in preparation and are expected to be available next week along with the topics to be voted on again online by all members.

In the meantime, you will find the (internal!) **presentation** of the meeting on the log-in area of our website:

<https://eeb-a.eu/intern#bekanntmachugen>

As the english site is currently facing some technical problems, it's provided on the German site. However, the presentation is in english. You can log in with your personal ID (firstname.lastname) and your personal **password**. If you don't have your password anymore, press the "Passwort vergessen" button, enter your email address (usually the one we also use for sending this newsletter) and you will receive a new one automatically.

At the meeting it has been agreed, that we will only use the private ["eeba members" group on LinkedIn](#) as our preferred **chat-platform**. The business network on LinkedIn has been considered more suitable in comparison to Facebook. On top, we have way more followers on LinkedIn. You can enter the group either by invitation (should have been sent to you) or upon request. Please let me know in case you would like to get support with setting up your personal profile on LinkedIn. The eeba members group on Facebook (not the EEBA profile!) will be deleted shortly. Please get in touch for any requests about this.

Best regards and have a great weekend, especially those attending BETA!
